

"The READING BEYOND list celebrates the power of books to lift and expand children's minds, providing reading experiences beyond levels and limits."

- Susan Polos and Janet Wong, co-chairs of the ALA-CBC Joint Committee

for Children in Grades 4-5 reading at a 7th Grade level

Here are 25 books chosen by the American Library Association & Children's Book Council Joint Committee to provide guidance to parents, caregivers, teachers, librarians, and others interested in discovering books for children who read at an advanced level and are seeking more challenging, but still age-appropriate, books.

These books were chosen from over 600 submitted for evaluation by the ALA member librarians of the committee and were chosen for their content, quality, and variety of genre and format.
