

## **Let's Get Ready's Career Days Summer 2015!**

Share your career experiences, and serve as a mentor to ambitious students!

We are looking for Professionals (including interns) from all career fields! Volunteers come together to share their “real world” experience and expertise with smart, motivated, college-bound students and help to prepare them for a successful future.

Through Career Day, our students are able to:

1. Get first-hand information about important career steps they can take now, as high school students.
2. Share their interests, ideas, and aspirations.
3. Hear what it is like to be a professional in a wide array of career fields.
4. Learn about pursuing different college majors which will relate to their career goals.
5. Practice important career development skills, such as networking and resume building.

### **Career Day 2014: A Huge Success!**

On last year's Career Day, over 350 students and 70 volunteers participated in Career Day 2014! Professionals from diverse backgrounds in all occupations and fields shared their experience and advice to students. The professionals led career-oriented activities such as career and personality assessments, engaged in icebreakers, and practiced networking.
