Building a Home Library 2025 is brought to you by
the Children's Book Council in collaboration with the Ingram Content Group

ABOUT THE CHILDREN'S BOOK COUNCIL

Children's Book Council (CBC) is the nonprofit trade association of children's book publishers in North America, dedicated to supporting the industry and promoting children's books and reading. CBC supports the children's publishing industry through programming that connects and educates publishing professionals, advocates for a more inclusive industry, and shines a light on the books, creators, and resources available for young readers.

ABOUT THE INGRAM CONTENT GROUP

Books — printed ones, digital ones, in all their formats and the technology that keeps them moving across the globe — these are Ingram Content Group's passions and for more than 50 years they have been what they have worked to perfect every day. The world is reading, and it is their goal to connect as many people to the content they want in the simplest ways.
